What will we do!

All activities will be optional and all meals will be provided . There will be various activities to cater for all demographics (and all personalities) from the young to the old .

There will be board games, warm fuzzies, beach activities, wake boarding/ tubing, fishing, Music, arts and crafts or just sitting around soaking up the sun enjoying a book (There may even be a gigantic water slide!!)

The way we recharge is different for all of us and we want to create that opportunity for all .

We will also gather for a church service on the Sunday morning as is our custom.

Accommodation

Accommodation is in 4 person and 6 person dorms (15 different cottages) so we expect that most families/ couples will be able to get a room to themselves.

For those who want to tent or caravan we recommend approaching the surrounding campsites to see what is available. (stating with the Abundant life Camp)

What to bring

Once registered we will send you a registration letter with more details of what to bring etc
